Introduction

Welcome to the Guide for the CA User Group members.

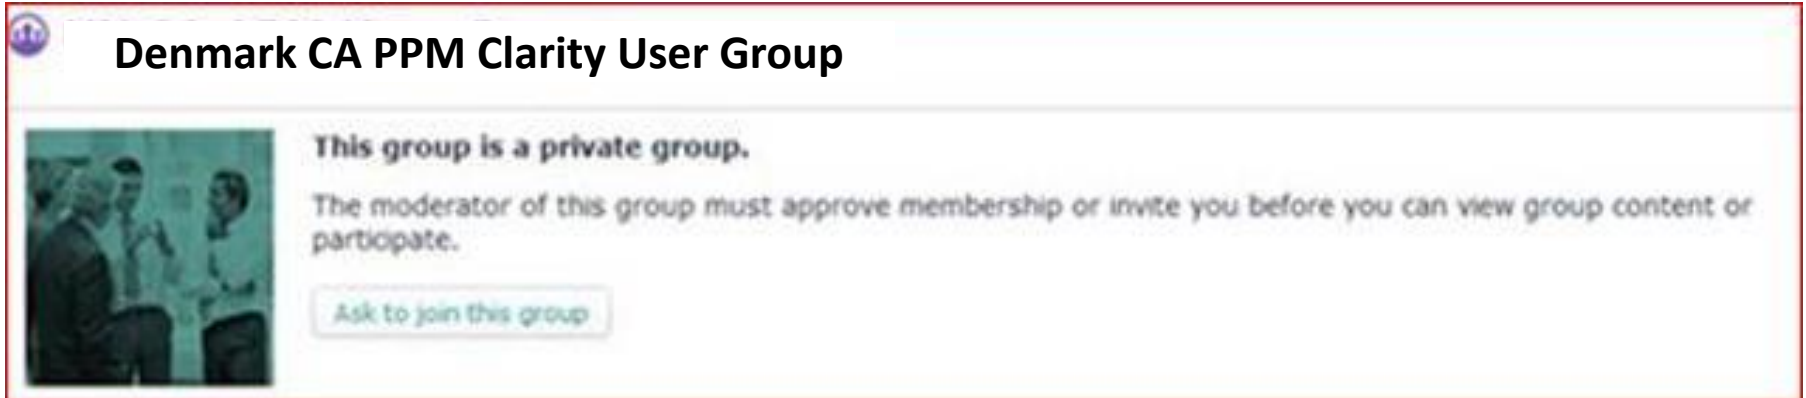

This guide is designed to help user group members in Europe get familiar with the CA Communities new platform. It is also intended to provide some Best Practices to help members get involved in their User Group activities & be active contributors.

How can I get involved with the User Group ?

1) Join the User Group to become member

1. <https://communities.ca.com/groups/denmark-ppm-user-group>
2. **Login** (email / password) - use your Support identification, or create an account
3. Click on **"Ask to join this group"**. Your request will be reviewed then Approved

2) Share your experience & knowledge

- **in-Person meetings** : User presentation, Roundtable discussions, ...

- **Online** : Click on '**Action**' to share a document or start a conversation ('**Discussion**') ..

The screenshot shows the UK CA PPM User Group website. The header has a navigation bar with links: Overview, Activity, Content, People, Reports, Calendar, Actions (highlighted with a red circle), About, and Share. Below the navigation bar, there are icons for Discussion, Files, Document, and Event. The main content area shows 'RECENT ACTIVITY' with a post by Abderrazzak Laabi in the UK CA PPM User Group, dated 3 weeks ago. A dropdown menu is open from the 'Actions' link, showing options to 'CREATE' a Discussion, Document, Files, or Event. Red arrows point to the 'Discussion' and 'Files' options in the dropdown menu.

3) Be active contributor

Get involved in the user group activities (as User Group member, or Board member)

- Make suggestions, ideas, Topics for the next UG meeting, ...
- Contribute to enhance the CA solution (Ideation ...)

Connecting with people

- 1) Click on **People** tab and use the sorting options to filter and find relevant people
- 2) Click on **Follow** tab on the bottom right
and choose whether to follow that user via your inbox or connections stream.
- 3) Click on **Message** tab on the bottom right to send private message

The screenshot displays a LinkedIn profile for Melanie Giuliani. The top navigation bar includes links for Home, News, Communities, Browse, Help, and Apps, along with a notification bell showing 50+ alerts, a profile picture, and a search icon. The profile header shows the name 'Melanie Giuliani' with a 'ca' badge. Below this, the title 'Community Programs Analyst' and company 'CA Technologies' are listed. The email address 'giume03@ca.com' and the last logged in date 'November 19, 2015' are also visible. A large image of two people skydiving serves as the background for the profile. A 'VIEW POINTS DETAILS' button with a trophy icon is located below the profile picture. At the bottom, a navigation bar includes 'Overview', 'Activity', 'Content', 'More', and 'Actions'. Two red circles highlight the 'Message' and 'Follow' buttons in the bottom right corner. The 'Message' button is circled with a red circle and a red '3' below it, and the 'Follow' button is circled with a red circle and a red '2' below it.

The screenshot displays the CA PPM (Product Portfolio Management) interface. At the top, there's a header with a user profile picture, the text "All Places > CA PPM", and a "Configure" button. Below the header is a navigation bar with tabs: "Overview", "Content", "People", "Subspaces", "Calendar", "More", "Actions", and "About". The "Actions" tab is highlighted with a red circle. A dropdown menu is open from the "Actions" tab, listing various creation options: "Discussion", "Document", "Files", "Blog Post", "Poll", "Sub-space", "Video", and "Idea". A red arrow points to the "Idea" option at the bottom of the dropdown. Below the navigation bar, there's an announcement section titled "ANNOUNCEMENT: What you may have missed in the CA Project and Portfolio Management October 2015" with a "Show Details" link. Below that is a section titled "YOU CAN CUSTOMIZE THIS PAGE" with a brief description and a "customize" link. At the bottom left, it says "WELCOME TO THE PPM".

The screenshot shows the CA PPM community interface. At the top, there's a header with a user profile picture, the text "All Places > CA PPM", and buttons for "Configure" and "Following in 1 stream". Below the header is a navigation bar with tabs: "Overview", "Content" (highlighted with a red circle and a red '1'), "People", "Subspaces", "Calendar", and "More". To the right of the navigation bar are "Actions", "About", and "Manage" buttons. Below the navigation bar is an announcement: "ANNOUNCEMENT: What you may have missed in the CA Project and Portfolio Management Community! October 2015". Below the announcement is a "CATEGORIES" section with three items: "CA Agile Planning", "CA Executive Playbook", and "CA PPM". To the right of the categories is a section for "All Content (13227)" with various icons. The "Ideas" icon (a lightbulb) is highlighted with a red circle and a red '2'. Below the "All Content" section is a filter section with "All stages" (a dropdown menu), a checkbox for "Filter by shared content", a text input for "Type to filter by text", a "Filter by tag" button, and a "Sort by score" dropdown menu. To the right of the filter section are buttons for "1", "2", and a pagination control. Below the filter section is a table with the following columns: "Title", "Author", "Latest activity", "Views", "Likes", "Comments", and "Settings". The table contains two rows of ideas:

To make the TIMESHEET a studio configurable OBJECT.

(This has been long-requested by the user community in various forums, the detail should be obvious)
