**How to submit a Community IDEA for Gen**

1. Go to the IDEAS section in your Broadcom Community site.  
<https://community.broadcom.com/ideation/allideas?Page=1&CategoryKeys=71fe8ebb-feb6-4502-9027-713351a608fa&StatusKeys=&Sort=MostRecent>
2. Select "Add".
3. Fill in the form. Include a title, description with business need, select "Gen" for the category.
4. Click "Save" to submit your idea.
  - a. If this is your first Idea ever, the community admin may have to approve you idea.
  - b. The Product Owner will review your idea within 30 days, share to the Gen EDGE Community, and update the status to "Ready for Voting". For more about the process, check out the documents on the Ideas home page.

The screenshot shows the Broadcom Ideas page. At the top is a navigation bar with links: BROADCOM, PRODUCTS, SOLUTIONS, SUPPORT & SERVICES, COMPANY, and HOW TO BUY. Below this is a secondary navigation bar with links: Home, My Communities, Communities, Blogs, Events, and Ideas. ## Ideas

### What is the Broadcom Ideas Program?

"Ideas" is a forum in the Broadcom Communities where you can post, vote, and comment on enhancement requests. The product teams monitor the Ideas board for future development plans.

Please note the following are participating at some level in Ideas. If you do not see your product, please do not choose another product to post an idea. It will be rejected. Instead, reach out to your Account Manager. Review the full list [here](#).

- Mainframe Software is participating in Ideas
- Enterprise Software has some products participating
- Symantec Security Software has limited products participating

To learn more about the program:

- [Read our Broadcom Ideas Program Announcement](#)
- [Read the FAQ](#)
- [Read the New Status Definitions](#)

**Learn More Here**

Note: Your first post to any of our communities will be placed in a moderation to help minimize spam. Our community managers closely monitor this moderation queue so please be patient. Please do not submit the same post multiple times.
