

# General Availability Announcement

July 2020

To: CA Endeavor® Integrations for Enterprise DevOps Customers  
From: The CA Technologies CA Endeavor Integrations for Enterprise DevOps Product Team  
Subject: General Availability Announcement for CA Endeavor Integrations for Enterprise DevOps  
18.1 0003

On behalf of Broadcom, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly release updated versions of our products. Today, we are pleased to announce that CA Endeavor Integrations for Enterprise DevOps 18.1 0003 is now available.

CA Endeavor Integrations for Enterprise DevOps allows customers to easily integrate CA Endeavor with the following tools:

- Enterprise DevOps tools like Git
- Agile PPM tools like Rally or JIRA
- CI/CD tools like Atomic Continuous Delivery Director

New features for CA Endeavor Integrations for Enterprise DevOps 18.1 0003 include:

- Support for multi-system / subsystem repository mappings between CA Endeavor and a single Git repository
- Near real-time, event-based sync-back from CA Endeavor to the Enterprise Git Server
- Enhanced traceability in Git commits for changes originating in CA Endeavor
- Enhanced reliability of the webhook delivery in the Mainframe Webhook Server

We also encourage you to visit the CA Endeavor product information page at [Support](#) and the CA Endeavor Integrations for Enterprise DevOps [Tech Docs](#) page.

You can download your copy of CA Endeavor Integrations for Enterprise DevOps 18.1 0003 online at [Support](#) where you can also utilize the case management system. To install your product, follow the installation procedures for your product at [Tech Docs](#). If you have any questions or require assistance, contact [Support](#).

Should you need any assistance in understanding these new features, or implementing this latest release, our implementation services partners can help. Please contact your local account representative for more information on how they can help. To connect, learn, and share with other customers, join and participate in our CA Endeavor Community at <https://community.broadcom.com/mainframesoftware/communities/communityhomeblogs?CommunityKey=592eb6c9-73f7-460f-9aa9-e5194cdafcd2>.

For a list of Mainframe Education courses recommended by role, please visit the [Learning Paths](#) and select the desired product. We update courses based on functional impact as well as high-demand; therefore, courses created from previous releases may apply to the current release.

Thank you again for your business.
