

# Mainframe Technical Exchange

October 5-7, 2021

## Accessing the Event Portal

- **Claim Your Invitation and Login to the Event Portal:** Following your registration, you were sent an email invitation from [MTESupport@travelhq.com](mailto:MTESupport@travelhq.com), our validated third-party event platform host. Please open this email and follow the instructions below to log into the event:
  1. Open your email invitation with the subject line "Invitation to Broadcom Mainframe Technical Exchange Event Portal".
  2. Click the "click here" link to be taken to your personalized link to the event portal. (Note: this is a valid link to our third-party event platform)
  3. Click "username/password" to set up a password.
  4. Choose your password, and then confirm the password. Note: The email address you used to register for the event will automatically be entered based on your invitation link.
  5. After you confirm, click "username/password" again.
  6. Enter your email address and your event password into the pop-up box.
  7. Congratulations – you're in! Take some time to explore the navigation and features and set up your profile.
- **You will need to log in to the event portal each day to attend sessions.**
- You can logout of the portal at the bottom of your profile page, which you can access by clicking the gear icon above the left hand menu.
- After your initial login using your personalized link above, you can access the event portal at <https://mftechexchange.hubb.me>.
- It's important to log in prior to the event date, and we encourage you to access the portal a few minutes prior to your sessions starting each day.

## Technical Requirements

- The portal is supported on Chrome, Firefox, and Edge.
- The portal site is <https://mftechexchange.hubb.me/>.
- To participate in live chat, you must have access to <https://www.rumbletalk.com> and <https://api.rumbletalk.com/>.
- To participate in live sessions and live Q&A sessions, you must have access to Zoom (you can download the [Zoom client for meetings](#) or join via your browser).
- YouTube - the pre-recorded sessions will be served as videos using [YouTube](#).
- View the [Hubb event platform attendee information site](#) for additional technical and "how-to" information.
- If you have questions or can't access any of these sites, please contact us at [mftech.exchange@broadcom.com](mailto:mftech.exchange@broadcom.com)):

## Creating Your Agenda

- In the event portal, review the sessions and add the ones you want to attend to your schedule prior to the event. For assistance, click [here](#).
- Once added to your schedule, you can view the sessions in "My Schedule" and select "Add to Personal Calendar" to send a calendar invitation for each session to your email address.
- Note that live sessions have an "L" in the session id (i.e. DO12-L). You will click a Zoom link on the session details page to join this session at the start time.
- Note that simulive sessions have an "S" in the session id (i.e. GN01-S). On the session details page, you will see a video automatically play at the session start time. The speakers will engage with you in the Live Chat during the video. After the video, click the Zoom link to join the live Q&A session to engage with the speakers and other attendees.
- You can print your schedule using the Print Schedule button on the top right.
- Note that you will only receive session evaluations for the sessions that you add to your agenda. Please be sure to build your agenda so that you can share your feedback with us.
- Most sessions will be available for on-demand viewing for registered attendees within the event portal until January 7, 2022.

## Networking and Engaging

- **Engage:** Connect with the speakers and other attendees via live chat, by attending the live Q&A sessions, and by connecting directly via the Message Me button.
- **Provide Feedback:** Provide feedback on each session you attend by completing the Session Evaluation (via the Evaluations tab in the Session, or Evaluation option on the event menu). Please also complete the Overall Event Evaluation (via the Evaluation option on the event menu) to help us improve future Mainframe Technical Exchanges.
- **Participate in the MTE Challenge:** Earn points by participating in the MTE Challenge during the event!
- **Get Social:** Promote your attendance on Twitter and LinkedIn using the hashtag **#BroadcomMTE2021**. During the event, share something new you learned, a great speaker you heard, or an expert you connected with during the event.

## Event Support and Resources

- Additional helpful tips for participating in the event can be found by visiting the Contact Us page within the event portal, and by clicking [here](#).
- If you have any questions or issues accessing the event portal, please contact us at [mftech.exchange@broadcom.com](mailto:mftech.exchange@broadcom.com).

Best Regards,  
The Broadcom Mainframe Team
