8. Door Prizes and Speaker gifs – Jam Grimes

9. Everyone can help by personally inviting some new members to attend

Open Discussion

1. Chris Sagar, SunTrust Bank – CA SCM Harvest 12.1 upgrade – wants to find who has user experience that they can share; will be bringing up new servers and then migrating from R7 to R12; What is the preferable sequence of events?

2. Ike Hunley responded to Chris's question

3. Cross Project Merge – how does it work?

4. May Mainframe Madness

5. Sign onto MyCA

6. Update your MyCA profile

7. then post questions/answers (get involved, help your peers, share your experience)

8. Announcements from CA Website – may have some issues. Kevin will discuss this issue with the CA Community representatives.

Next meeting will be held

1. Planning committee with a working meeting sessions, to be scheduled soon (thank you for volunteering to help)

2. Quarterly meeting (tentatively plan to have our next meeting in approximately 2 months)
