How to be successful using the Clarity PPM User UX

Boeing success story...

Find a new opportunity

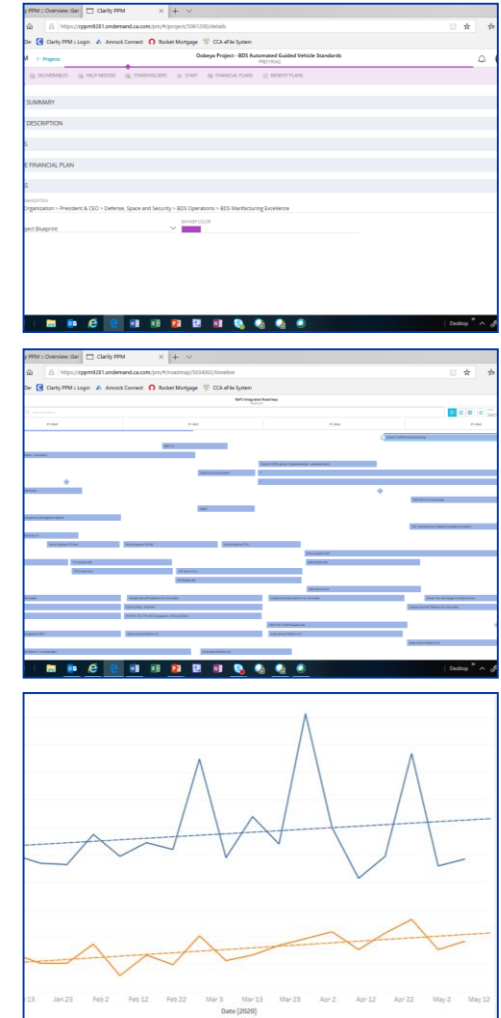

- Onboarding new groups
- Projects that need limited fields and modules
- Different formats for Ideas

Show it off

- Change blueprints on the fly
- Create Views
- Demo Staffing and Roadmaps
- Find new uses (i.e. Tasks to demo productivity, Tableau dashboards)

Work with Broadcom and Services

- Innovation team
- Office Hours and Experts
- Enterprise Studio by HCL Technologies

How Enterprise Studio Can Help

Modern UX Adoption

Integrations

Mentoring-Training-Coaching

Project Manager Training

Solution Adoption

SaaS GCP Migration

Modern UX Adoption

Operational Services

Deploy the latest features to empower your users with an intuitive experience and accelerate your digitization efforts.

Enablement

- ✓ Define and build the Modern UX to fit your needs.

On Boarding

- ✓ Transition and onboard from the Classic UX to the Modern UX with a proven approach.
- ✓ Pilots, Small Groups or Enterprise wide

User Experience Simplification

- ✓ Yesterday's workflow and today's goals may not align. Review the business needs and enhance ease of use through better design.
- ✓ Scalable, Maintainable, and Value Add.

HCL's Expert team will ensure your team embraces the change and find value throughout the solution.

Reduce the barriers to adopt the Modern User Experience (UX)
