

# Directions on How to Join the Broadcom Community - Current

## - For Users who have an existing Broadcom Support Portal Login – (Okta)

Click Login

## Welcome to the Broadcom Community

### Find Your Communities

Our communities are designed by division, which you can see below. Visit each division homepage for a list of product communities under each. From there, click on the communities you're interested in and then choose "Join Community" and choose your notification settings. It's that simple. Join as many as you'd like.

[Customer Care Request Form](#)

**Please note:** your first post to any of our communities will be placed in a moderation queue for review to help us prevent spammers from posting unwanted content in our communities. Our community managers closely monitor this moderation queue and once your first post is approved, your posts will no longer go through moderation. Please do not submit the same post multiple times.

Please review our video on "How to Change your Notification Settings" and "How to Update your Username and Privacy Settings." For more training videos and help, visit The Water Cooler Community, where you can ask questions about the platform.

### Check Out Our Events

Looking for product roadmaps, webcasts, technical sessions, user group meetings, conferences and workshops? Check out our events calendar:

Enter email and password

### Terms of Use - community.broadcom.com

The Content on this website (the "Site") is provided by Broadcom Inc. and/or its subsidiaries ("Broadcom") as a service to its customers and partners and may be used for informational purposes only. These terms and conditions of use ("Terms of Use") set forth below apply to "You" as a current or new registrant to <https://community.broadcom.com/>. By accessing this Site or downloading any Content, you agree to be bound by these Terms of Use. If you do not agree with the Terms of Use set forth herein, do not attempt to access the Site or download any Content.

**Upon accessing this Site, You warrant to Broadcom that You will not use this Site, or any of the Content on this Site, for any purpose that is unlawful or prohibited by these Terms of Use. If You violate any of these Terms or Conditions, your permission to use the Site shall terminate immediately. IMPORTANT NOTICE: This Site is not a method to obtain direct support from Broadcom.**

#### Purpose

The Site may be used as a forum to share knowledge, connect and converse with the Broadcom Community; Broadcom registered members. Broadcom reserves the right at any time to modify or discontinue, temporarily or permanently, the Site (or any part thereof). Broadcom shall not be liable to You or any third party for any such modification, suspension or discontinuance of this Site except as expressly provided herein.

#### Registration

Each Site user must: (1) personally provide true, accurate, current and complete information on the Site's registration form (collectively, the "Registration Data") and (2) maintain and promptly update the Registration Data as necessary to keep it true, accurate, current and complete. If, after investigation, Broadcom has reasonable grounds to suspect that any user's information is untrue, inaccurate, not current or incomplete, Broadcom may suspend or terminate that user's account and prohibit any and all current or future use of this Site (or any portion thereof) by that user other than as expressly provided herein.

Each user will enter a password and username and receive account designations upon completing certain Site registration processes and is wholly responsible for maintaining the confidentiality thereof and wholly liable for all activities occurring there under. Broadcom cannot and will not be liable for any loss or damage arising from a user's failure to comply with this Section, including any loss or damage arising from any user's failure to: (1) immediately notify Broadcom of any unauthorized use of his or her password or account or any other breach of security; and (2) ensure that he or she exits from his or her account at the end of each session.

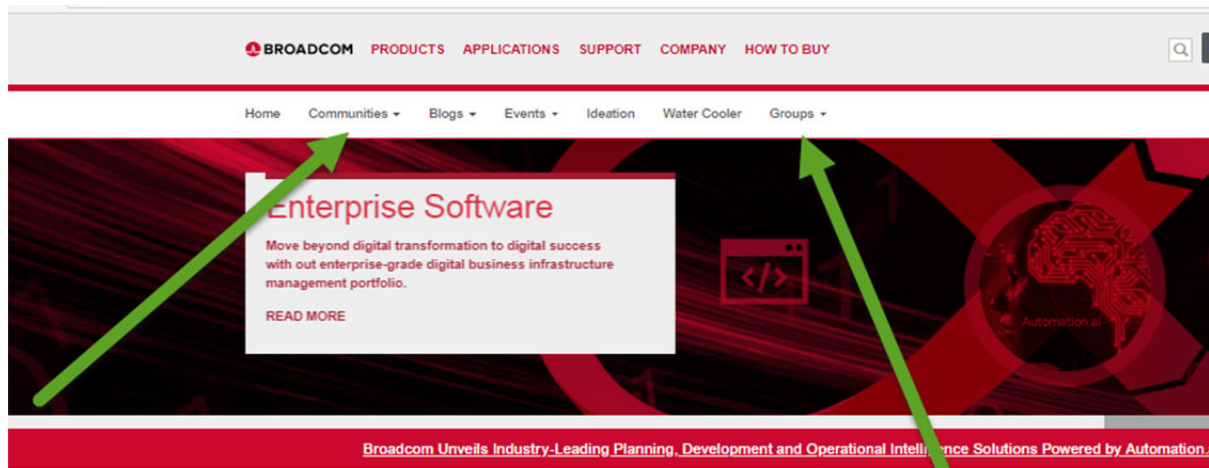

Personally-identifiable information that you transmit or post to the Site for the purpose of accessing the Site or receiving products or services will be handled in accordance with our Privacy Statement. For further information, please consult Broadcom's Online Privacy Statement on the [Privacy Policy](#) page.

#### You agree to abide by the following rules:

- Be honest.
- Act like the pro you are, and be respectful of others.
- Share information wisely and remember that all posts could be permanent.
- Keep information relevant to the discussions and free of advertising or solicitations.
- Only post things that you are lawfully able to post. This means don't post anything that you are prohibited from sharing, you don't have the necessary rights to post or anything that is harmful or disparaging to a third party (other users included)!

#### While access or posting Content to the Site you agree to the following:

You are now logged in and free to choose a division and join a product community or group.
