Product updates

Ideas

Member posts increase 80% year-over-year.

3

Derive more value from your software solutions by:

Asking questions and getting answers from real-world users

Becoming an expert on the products you know best

Using this as a platform to share your knowledge with others

Networking with colleagues around the world

11,000+ answers and 52,000+ kudos are received

EVERY YEAR!

4

Help shape the future of CA Technologies' products by:

Submitting ideas for product enhancements

Voting on and discussing ideas from other community members

Opting into product validation programs to test incremental process and provide feedback that will influence the next software iteration

5 of the 9 marquee features for the CA Clarity 13.3 release came directly from its Global User Community, which receives ~100 ideas per month
