**Mahesh Gatade:**

Q: Web services: is the tool capable of building blocks like request response based on a template based on json import

**Melanie Giuliani to Mahesh Gatade:**

A: yes - you can import things like SOAP IU and one of the demos does show how you can generate request response pairs and execute them. check out the ARD homepage for a link to that video

**Mahesh Gatade:**

Q: which version supports this

**Melanie Giuliani to Mahesh Gatade:**

A: this is supported in v2.5

**Mahesh Gatade:**

thanks
