From: The CA Technologies CA Plex Product Team

Subject: General Availability Announcement for CA Plex 7.2.1

On behalf of CA Technologies, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly release updated versions of our products. Today, we are pleased to announce that CA Plex 7.2.1 is now available.

New features for CA Plex 7.2.1 include:
- Microsoft: Visual Studio 2013, Windows 10, and SQL Server 2014 Support
- Java EJB 3.x Support
- .NET 4.5.2 and 4.6 Support
- Java Control IDs for improved Testing Support

We also encourage you to visit the CA Plex product information page on the CA Support Online website at https://support.ca.com/ for more information. The online documentation is available on the CA DocOps site: https://docops.ca.com/ca-plex/7-2/en

You can download your copy of CA Plex 7.2.1 (release: 7.21, genlevel 0000) from CA Support Online https://support.ca.com/. If you have any questions or require assistance contact CA Customer Care online at http://www.ca.com/us/customer-care.aspx where you can submit an online request using the Customer Care web form: https://communities.ca.com/web/guest/customercare. You can also call CA Customer Care at +1-800-225-5224 in North America or see http://www.ca.com/phone for the local number in your country.

Should you need any assistance in understanding these new features, or implementing this latest release, our CA Services experts can help. For more information on CA Services and how you can leverage our expertise, please visit www.ca.com/services.   CA Plex has a global team of CA Partners that can also be contacted for upgrade assistance, please visit http://www.ca.com/us/collateral/technology-partnerships/na/ca-plex-and-ca-2e-sales-services-technology-and-education-partners.aspx.

To connect, learn and share with other customers, join and participate in our CA Plex CA Community at https://communities.ca.com/.

To review CA Support lifecycle policies, please review the CA Support Policy and Terms located at: https://support.ca.com/.

Thank you again for your business.
