

# General Availability Announcement

## CA Harvest Software Change Manager

May 16, 2018

To: CA Harvest Software Change Manager Customers  
From: The CA Technologies CA Harvest Software Change Manager Product Team  
Subject: General Availability Announcement for CA Harvest Software Change Manager V13.0.3

On behalf of CA Technologies, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly release updated versions of our products. Today, we are pleased to announce that CA Harvest Software Change Manager V13.0.3 0000 is now available.

New features CA Harvest Software Change Manager V13.0.3 0000 include:

- Improved features for Administrators where you can now make changes across multiple projects at the same time rather than making changes in each project (Admin Bulk Update).
- Improved features for Developers doing Agile development with significant improvement merging changes across multiple development projects (Improved Cross Project Merge).
- New Certifications: HP UX Itanium 64 Bit, Linux 64 Bit, Windows 10, Microsoft Visual Studio 2017, Microsoft Visual Studio “Biz Talk” projects, Microsoft Windows Server 2016, Microsoft SQL Server 2016, IBM WebSphere 9.0, IBM AIX 7.2, SUSE Linux 12(Client and Agent only), and Eclipse: Neon 4.6 and Oxygen 4.7.

We have created a short YouTube introduction video for Administrators and Developers on the new features in this version please see: <https://youtu.be/VMdBl4XXkec>

We also encourage you to visit the CA Harvest Software Change Manager product information page on the CA Support portal at <https://support.ca.com/> and [DocOps.ca.com](http://DocOps.ca.com).
