On June 3rd, 2019, CA Technologies, a Broadcom Company, migrated to a new Learning Management System (LMS), Learning@Broadcom. The following sections describe how to access Learning@Broadcom, search and register for courses, launch courses, and how to review your transcript.

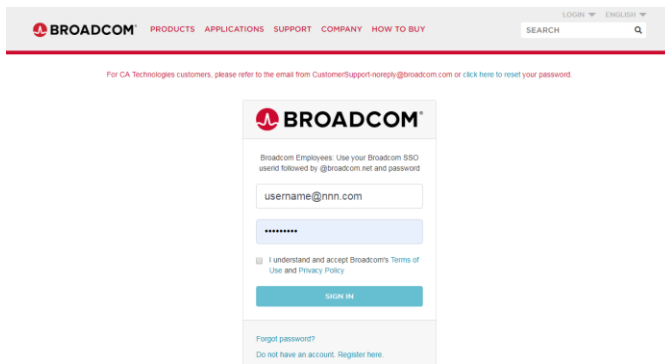

Access Learning@Broadcom

Access Learning@Broadcom through Broadcom's Single Sign-On platform.

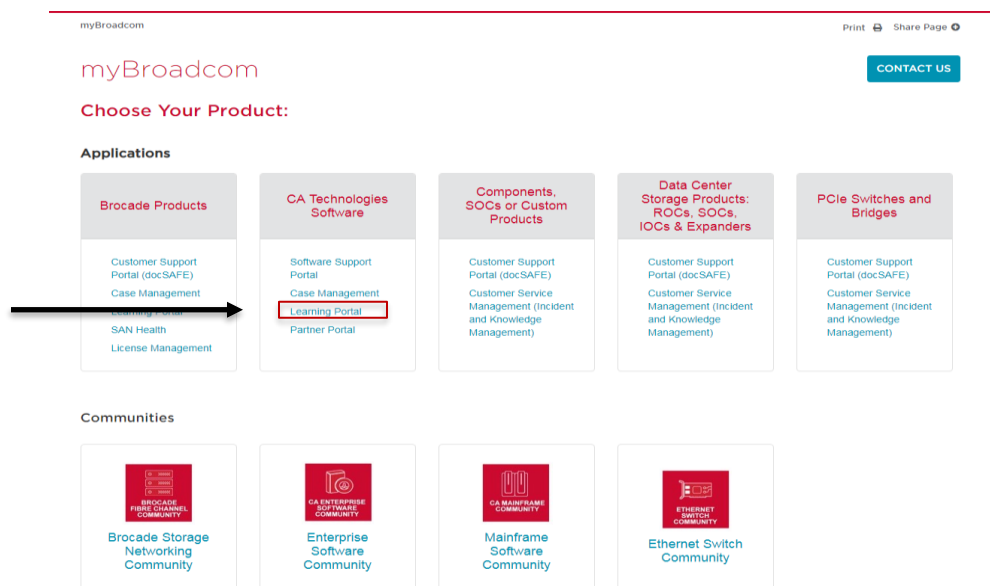

1. Go to <https://www.broadcom.com> and click Log In.

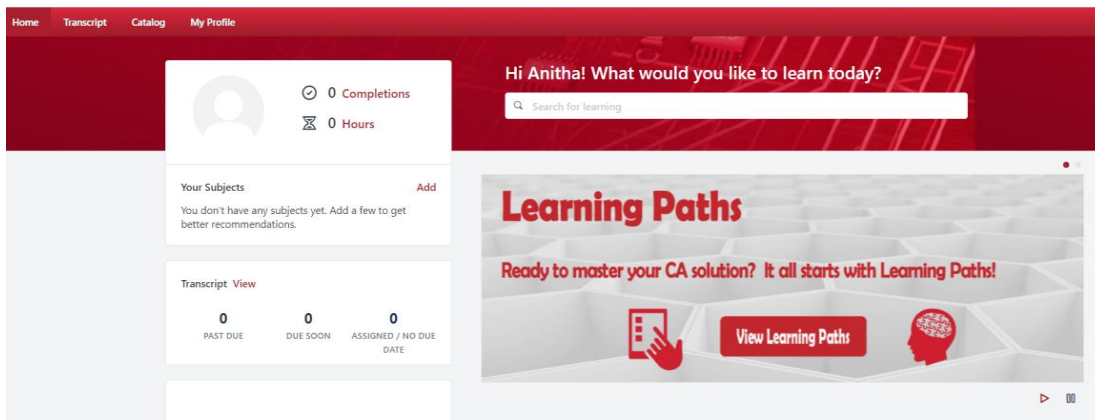

2. Provide your login credentials, accept the Terms of Use and Privacy Policy, and click the SIGN IN button.

3. On the myBroadcom page, click **Learning Portal**.

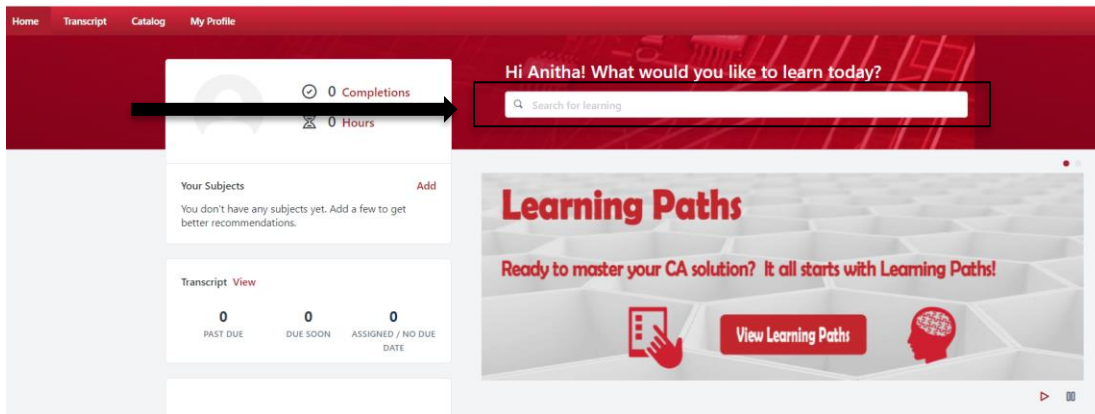

The Learning Management System, Learning@Broadcom, displays.

Search for a Course in Learning@Broadcom

After logging in to the learning portal, type the course title, keywords, or course code into the **Search for learning** search box shown below:

Register for a Free Course

1. Search for a course in Learning@Broadcom.
2. Click the course title.
The course details display. If the course is free, a Launch button displays.
3. Click the Launch button to take the course.

Enroll in a Learning Path

1. Click the banner for Learning Paths on your Learning@Broadcom home page. Learning paths are listed by product and role.
 2. Click a Learning Path to obtain more information, including a list of courses that are part of the learning path.
 3. Click the Request/Launch button to activate the Learning Path on your transcript. You can now take training courses within the curriculum as you need and in any order.
- Note:** If a course requires payment, clicking the Request button alerts an administrator who can approve this course after payment is verified.

The image shows a multi-step process of navigating through the Learning@Broadcom interface. The top section displays the user's profile with a greeting "Hi Anitha! What would you like to learn today?" and a search bar. Below this, there are sections for "Your Subjects" and "Transcript View". The main focus is on the "Learning Paths" banner, which includes the text "Ready to master your CA solution? It all starts with Learning Paths!" and a "View Learning Paths" button. A second screenshot shows the "Learning Paths" page with a list of paths, including "CA ACF2" for "Administrator" and "CA Application Lifecycle Conductor". A third screenshot provides a detailed view of the "CA ACF2 Learning Path - Administrator/Auditor", showing its price (\$0.00), course code, available languages, subjects, and a curriculum list of related courses.

View your Transcript / Completed Courses

Click the Completions link on your home page. Your transcript displays with a list of Completed training. You can also click the button labeled Completed to toggle between your Active, Completed, and Archived training records.

The screenshot displays a user's transcript page with a red header. The navigation menu includes Home, Transcript, Catalog, and My Profile. A personalized greeting reads "Hi Anitha! What would you like to learn today?" with a search bar for learning. The user's profile shows 140 completions and 3 subjects. A summary box indicates 3.18 HRS of aggregate training completed, with a fiscal year ending of 10/28/2019 and a cost of \$0.00. Filter buttons for "Completed", "By Due Date", and "All Types" are present, along with a search bar for training. The search results show 140 items, with the first entry being "Information Security Awareness 2019", completed on 4/4/2019 with a status of "Completed". A "View Completio..." button is visible next to the entry.
