CA World 2013

www.ca.com/caworld

The screenshot shows the homepage of the CA World '13 website. At the top, the logo "caWorld '13" is displayed with the location "Hendricks Bay Resort & Casino, Las Vegas, Nevada, US" and dates "April 23-24, 2013". Below the logo is a large green banner with the text "Do you hear that? It's opportunity knocking." and an image of an open white door. Underneath the banner, the text reads "New technologies, new contacts, new ways of transforming IT. It's a whole new world." followed by a paragraph about the conference. A white box contains the text "Save the Date. Add to your calendar today" and "April 21-24, 2013 Las Vegas, Nevada, US". To the right of this box is a grey box with "207" and "DAYS TO GO". Below these elements, a paragraph states "It's your chance to transform IT to drive business innovation. It's all waiting for you at CA World '13. Knock-knock." At the bottom, there are four colored boxes: "Attendee FAQs", "Sign up and win", "CA World 2011 highlights", and "Hear what customers are saying about CA World". Below these boxes are links for "The official rules, add here", "Conference Fees", and "Become a Sponsor or Exhibitor".

caWorld '13
Hendricks Bay Resort & Casino
Las Vegas, Nevada, US
April 23-24, 2013

Do you hear that?
It's opportunity knocking.

New technologies, new contacts, new ways of transforming IT.
It's a whole new world.

Preparation is underway for CA World 2013—and you'll want to be there.

CA World is the IT Management conference to attend, where you'll see, hear and learn about inspiring stories of IT and business transformation. Find out how they got there, and learn how you can do the same.

CA World gives you unprecedented access to preview innovative technologies, meet with our leadership team, developers and architects, and connect with thousands of industry experts. Choose from hundreds of deep technical sessions, participate in hands-on labs, and engage with partners to learn about complementary solutions.

Save the Date. [Add to your calendar today](#)
