

November 2015

To: CA ACF2 for z/OS Customers  
From: The CA Technologies ACF2 for z/OS Product Team  
Subject: General Availability Announcement for CA ACF2 for z/OS  
Version 16.0 GA Announcement

On behalf of CA Technologies, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly release updated versions of our products. Today, we are pleased to announce that CA ACF2 for z/OS Version 16.0 is now available.

See the CA ACF2 for z/OS documentation for a Product Overview highlighting new features, benefits and enhancements for Version 16.0 (<https://wiki.ca.com/acf2>).

You can download your copy of CA ACF2 for z/OS Version 16.0 from CA Support Online <https://support.ca.com/>. If you have any questions or require assistance contact CA Customer Care online at <http://www.ca.com/us/customer-care.aspx> where you can submit an online request using the Customer Care web form: <https://communities.ca.com/web/guest/customercare>. You can also call CA Customer Care at +1-800-225-5224 in North America or see <http://www.ca.com/phone> for the local number in your country.

We recommend that you use CA Chorus™ Software Manager (CA CSM) to download and install CA ACF2 for z/OS. CA CSM is designed to automate product acquisition, installation, deployment, configuration and maintenance and remove SMP/E complexities. CA CSM helps save time and resources when compared with the manual steps used to perform these tasks. Please visit: <https://support.ca.com/prodinfo/csm> to learn more about the features provided by CA CSM.

Should you need any assistance in understanding these new features, or implementing this latest release, our CA Services experts can help. For more information on CA Services and how you can leverage our expertise, please visit [www.ca.com/services](http://www.ca.com/services). To connect, learn and share with other customers, join and participate in our CA Mainframe Security Community at <https://communities.ca.com/>.

To review CA Support lifecycle policies, please review the CA Support Policy and Terms located at: <https://support.ca.com/>.

Thank you again for your business.
