To: CA Harvest Software Change Manager Customers
From: The CA Technologies CA Harvest Software Change Manager Product Team
Subject: General Availability Announcement for CA Harvest Software Change Manager R12.6

On behalf of CA Technologies, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly release updated versions of our products. Today, we are pleased to announce that CA Harvest Software Change Manager R12.6 is now available.

New features for CA Harvest Software Change Manager R12.6 include:

- **Mobile device package approval.** Helps reduce delays associated with change authorizations.
- **Large File Support.** Extends standardized processes and management to files larger than 2 gigabytes.
- **Enhanced Microsoft Visual Studio Plug-in.** Simplifies and reduces tasks for the file rename function.
- **Silent Install.** Helps expedite product installation on LINUX platforms.
- **Package Navigation Refinements.** Helps streamline development with improved search and preserved views.

We also encourage you to visit the CA Harvest Software Change Manager product information page on the CA Support Online website at <https://support.ca.com/> for more information
