where to find?

* education in gen

The screenshot shows a Windows Internet Explorer browser window displaying the Educagen website. The browser's address bar shows the URL http://www.educagen.nl/en_US/cursussen/. The website has a dark blue header with the 'EDUCAGEN*' logo and the tagline '* education in gen'. Below the header is a navigation menu with tabs for Home, Courses, Schedule, Training Delivery, References, About us, Partners, and Connection. The 'Courses' tab is selected. The main content area is titled 'Courses' and lists 'Standard courses:' with a bulleted list of links: Introduction to Gen, Basic Developer 1 and 2, All Round Developer, Developer Block Mode Systems, Developer Batch Systems, Gen for the Tester, Gen for the Designer - Analyst, Model Manager, Version Control, Subsetting, Gen for the Database Administrator (DBA), Component Based Development (CBD), DB2 for the Gen developer, and Other courses. Below this list is a section titled 'Tailored training programme' which states that Educagen developed training modules that can be composed to fit specific needs without additional costs. To the right of the main content area is a sidebar with three sections: 'Educagen Sponsor at EDGEucate 2012' (promoting a training delivery method at a conference in Dallas, Texas), 'Tips for Developers' (promoting modeling tips in news letters), and 'Worldwide delivery of Gen training' (promoting Gen users from the USA, Europe, and Asia). The Windows taskbar at the bottom shows the Start button, several open applications including Microsoft PowerPoint and EDGEucate Dallas 2..., and the system clock showing 15:52.
